The order was uploaded on its website on Thursday

Fruit, Veggie Exports Fall 70% During Lockdown

NEW DELHI Fruit and vegetable exports from India have seen a fall of approximately 70% since the lockdown began, said exporters and government officials. They attribute it to be high for individual productions and the said of the said and government officials. They attribute it to the high freight Anarges by arlines which has increased by as much as 166% to 7250 a kg. March to May is the peak season for export of fruit and vegetable. The average export was 4. alkh tonne amonth in the previous year and now only 30% of that is happening said an official from Agricultural and Processed Food Products Export Development Authority.

■ 'No Restrictions on Using Addl Borrowing by States

NEW DELHI The Centre has not imposed any restrictions on states for utilisation of additional borrowing or 2% and they are free to spend as per their requirements, a senior finance ministry official has said. It is to be noted that the basic limit of 3% remains unconditional, while only additional 1% out of the 2% ditional, while only additional 1% out of the 2% is linked to citizen-centric reforms, the official said. FM Nirmala Sitharaman while announcing this on Sunday had said an increase in horro-wing limits will be subject to states taking citizen centric reforms, aimed at improving quality of service delivery to the public.

Mortality rate in India is 3%, global 6.6%

Oxid-19 deaths increased significantly from 1,075 on April 30 to 3,455 on Thursday. The case mortality rate in India is 3,66%, which compares favourably with the [global rate of 5,65%, the ministry said, underlining the need for timely case identification and proper clinical management which it said helped keep the mortality rate low. Officials said the low case Idatility among younger people indicated that most of them were cured of the infection. The ministry said that the number of Covid-19 cases had climbed to 1,12.35 with 122 deaths and 5,690 cases added in the climbee to 1,12,359 with 132 deaths and 5,609 cases added in the last24 hours till Bam on Thurdsdy. A total of 65,299 patients have recovered so far and 3,002 people were cured in the last 24 hours, the ministry said. "The recovery rate is improving continuously and is 40.32% at present," it said.

Districts like Siddharth Nagar, Balrampur, Ambedkar Nagar and Maharajganj have seen around one lakh people or more returning over the past weeks.

been making calls to all 75 districts. In districts where a large number of people have returned, we are alerting DMs and ensuring that community surveillance is extremely additional chief secretary (home) Awanish Awasthi on Thursday said that he has appealed to people coming from other states and the families of these people to comie forward if they are showing any symptoms so that their treatment of the common so that their treatment should be increased to 10,000 samples daily. The health department is doing about 7,000 tests every day. "Awasthisald.

'Disputes to be resolved peacefully'

Continued from page 1

Slamming China for its aggressive actions in the region, India said all disputes should be resolved peacefully and in keeping ments like UNCLOS which China has flouted despite being a signatory and an adverse ruling on its activities. Asserting that Indian actions were within its side said, "Any suggestion that Indian troops have undertaken activity across the LAC in the western or the Sikkim sector is not accurate." Indian troops were added, India and China and china developed the side of the LAC and abided by it scrupulously, it added, India and China have been in contact diplomatically, with the Indian government communication and the procedures laid down in various bilateral agreements and protocols to resolve any situations which may arise due to difference in processors.
