Wipro appoints Anup Purohit as Chief Information Officer

New York, USA and Bangalore, India –June 11, 2021: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced the appointment of Anup Purohit as Chief Information Officer.

Anup brings with him over 25 years of experience across Banking and Financial Services, centered around Innovation in Digital Banking, Financial Management, Business Solutions & Service Delivery, Portfolio & Program Management, Risk & Controls and Information Security.

In his most recent role as the CIO of Yes Bank, Anup was in charge of spearheading Business Technology Transformation and Digital Innovation strategy with a relentless focus on bringing future technology into the bank's current technology stack.

Prior to that, Anup was associated with financial institutions such as RBL, Barclays and JPMC in leadership roles, where he was responsible for building agile, robust, scalable and resilient technology platforms and processes, IT Infrastructure Solutions and Service Delivery.

In his new role, as Chief Information Officer, Anup will report to Sanjeev Singh, Chief Operations Officer.

"As enterprises reposition themselves and aggressively move towards digital technologies, the role of the CIO in driving transformation has become more significant and complex. I am pleased to welcome Anup and am confident his industry experience will add immense value to the team," said **Sanjeev Singh, Chief Operations Officer, Wipro Limited.**

"I am excited with the opportunity of joining Wipro and playing a role in the transformation journey. I look forward to draw from my prior experience and knowledge, and endeavor to guide businesses as they move forward in the new digital world," said **Anup Purohit.**

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
