Only partners that meet stringent criteria around customer success and staff skilling, as well as pass a third-party audit of their Windows Virtual Desktop technical practices are able to earn the Microsoft Windows Virtual Desktop advanced specialization.

Satish Yadavalli, Vice President - Cloud and Infrastructure, Wipro Limited said, "We are glad to have earned this advanced specialization as it strengthens our expertise and capabilities around Microsoft Azure. This advanced specialization equips us to deliver extraordinary end-user experiences, and highly productive and secured computing experiences with multi-session Windows 10 and Microsoft 365 features on Azure. Rodney Clark, Corporate Vice President, Global Partner Solutions, Channel Sales and Channel Chief, Microsoft said, "The Microsoft Windows Virtual Desktop advanced specialization highlights the partners who can be viewed as most capable when it comes to deploying Windows Virtual Desktop in Azure.
