## **Wipro Unveils Its Newest Innovation and Co-Creation Space Focused on ServiceNow: @nowStudio Brazil**

*@nowStudio will act as a hub between leading companies in Brazil and experts in analytics, automation, and cloud from Wipro and the ServiceNow community*

**SÃO PAULO | BANGALORE, India – Sept. 7, 2022** – Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading technology services and consulting company, announced the launch of the @nowStudio in Brazil. The center is designed to accelerate the digital journey of customers and promote the enrichment of the ServiceNow community of developers and users. This is the second @nowStudio launched as part of Wipro's global plan.

The space is part of Wipro's newest office in São Paulo, located in the EZ Towers building, on the south region of the state capital. The @nowStudio leverages the digital workflows and streamlined processes of the **ServiceNow Platform** to deliver customized services and solutions for companies across a variety of industries. The space will be frequented by the community of developers, partners, and customers, contributing directly to the certification of new professionals, building skills, creating original solutions, and accelerating the businesses of the two companies locally.

**Wagner Jesus, Country Head, Brazil, Wipro Limited**, said, "The launch of Wipro @nowStudio Brazil strengthens our partnership with ServiceNow and will accelerate the momentum we have together in the Brazilian market. Our main objective is for the space to be a focal point between the ServiceNow community and our local customers, connecting corporate challenges to unique solutions in hyper automation, promoting scalability and real integration between technology and business areas."

"Having a dedicated space for customers to experience ServiceNow will increase hands-on understanding when adopting the **ServiceNow Platform** while helping organizations solve business challenges. It will be a very important space to further leverage the growth of the community and ecosystem in Brazil and across South America," **Katia Ortiz – Country Manager, ServiceNow Brazil**.

**Jo Debecker, Head of Cloud and Infrastructure Services (CIS), iCORE, Wipro Limited**, said, "We are excited to launch Wipro @nowStudio in Brazil. The studio will emerge as a co-innovation center for the user community and will help us drive new growth opportunities for our clients."

The facility has different environments focused on design thinking and collaboration, also counting with an exclusive place dedicated to the co-creation of solutions that use cutting-edge technology. Customers will benefit from the full delivery potential of accelerators made available by Wipro, including IT service management and business process automation packages.

### **Forward-Looking Statements**

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations, and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
